This is a pretty new publisher for players. You have some casual games with millions of downloads on Google Play like Amazing Fishing, Fisherman Fisherman 1, Idle Dream Farm. Machbird's games all have relatively simple, unique and addictive gameplay. Merge weapons to make moneyWhen Idle Miner Tycoon allows players to manage a mining company, Idle Gun Tycoon is an idle game about weapons. You are a person who is responsible for the manufacture of weapons, namely weapons. When you play this game, you have the task of merging two low-level guns to create a better weapon, thereby earning as much money as possible. Starting with a base gun, combine these two into a GP100. You can then merge two GP100 guns into a Beretta 92. The more you update, the greater the amount you generate per second. Then use the money to buy low-end guns and continue to merge to create more advanced guns. Your screen consists of many squares. Weapons (you have unlocked) appear randomly in the square. If the game gives you too many low-level guns, you can delete it and continue to buy more weapons. Idle Gun Tycoon is an idle game, so your gun company still works even when you close the game. After you upgrade your favorite guns, you can close the game comfortably, go to bed and get money the next morning. More than 50 gunsWhen you play Idle Gun Tycoon, you have the ability to create more than 50 different types of guns. The game has a variety of weapons for you to explore, such as pistols, shotguns, rifles, SMGs, sniper rifles, ... The weapons collection is extremely diverse, you can easily use your favorite pistols like MP5, Desert Eagle, AK 47, AR 15, AWM, Glock, ... Each weapon has its own pros and cons. There are a number of parameters that you need to consider as ammunition size, performance, stability, number of bullets. The gun in Idle Gun Tycoon has detailed and realistic specifications. You can update unlocked guns to increase the amount of money per second. Your weapon after the upgrade will be stronger, have more stability, shoot more accurately, invest wisely to help your business make the best possible money so you have money to buy new weapons. Shooting ContestAfter unlocking the weapon, you can use it in the shootouts. As with the Olympics, you are a shooter who scores goals to score as many points as possible. To hit the 10-point center of the goal is not easy, you have to aim very precisely and the types of guns you have. For better results, update your weapon. It offers you many benefits such as increased performance, reduced recoil, increased accuracy. However, the upgrade price is not cheap. Graphic: Trotz relatively simple graphics, but the physics of Idle Gun Tycoon is very realistic. When the gun shoots, your screen shows more smoke and flash effects. It helps you feel the recoil of each weapon and learn how to master it. Sound is also a factor that makes the game very attractive. Each type of pistol has different sounds, which are modeled by real guns. MOD APK version of Idle Gun TycoonUnlimited Money: With the money available, you can unlock and upgrade your favorite guns.
